Group 2

- **Topics**

  1. What could be the preparedness at national, regional or at the local levels for incorporating suitable adaptation in Climate Change

- **2.Strategic Action on Capacity Building**

- **STRATEGIES**
  - **Political commitments : political will**
  - **Political collaboration**

1. **BASELINE DATA**
2. **Health Impact Assessment**

   Vulnerability assessment

   Hazard assesment

   Risk assesment

- **3. Early warning syStem**
  - **Meteorology,**
  - **hydrology data**
  - **-Prepareness in the Health sector**
  - **Adaptation and linkages with other programs**
  - **Ex. Cc with adolescent health**
    - **Cc with agriculture**

- **4.OTHER SECTORS INVOLVEMENT**
- -Water quality monitoring
  - Food and nutrition
  - Energy
  - Public works and highways

- **5.. PREPAREDNESS**
  - Adaptation And linkages
  - Guidelines for preparedness

- **Safer hospital** : to strengten the health system
  - capacity hospital management system
  - Infrastructure and Transportation system
  - the man power capacity

WATER AND SANITATION

- new technology
- Rain and water collection
- Rain and water harvesting system

6. PARTNERSHIP WITH OTHER SECTORS

- -
- Holistic Approach
- Urban and regional planning
- Empowerment of the community

8. . Public awareness/advocacy

- Stakeholders profesionals, academe, NGOs, religios groups, community, policy makers
  IEC- good communication plan, Media

  Focal person
. Training and informstion
  Congress
  Forum

PROBLEM 2
STRATEGIES ON CAPACITY BUILDING

- 1. TO strengthen advocacy with other sectors
- 2. To improve other sector within
- 3. Strenghten networking to share information
- 4.Public Awareness
  - Strenghtening of Professional Assoc. related to climate Health

4 AREAS OF CAPABILITY BUILDING

1. **HUMAN RESOURCE**
2. **Research**
3. **Health services**
4. **other services other than health**

STRATEGIES

- **Advocacy (for networking and imformation)**
- **Strategic Action** : Media Mutisectoral forums, national congress, group meeting
- **Public awareness by Good Communication plan (media)**
